SPECIAL – THE 2018 EXAM CYCLE TEXT OF PREPARING TO PRACTICE BEFORE THE US TAX COURT (SESSION I/II) IS AVAILABLE AT A 50% DISCOUNT AFTER 11/15/18. This is not a subscription service; it is likely significant changes will occur prior to the November 2020 exam, which means this material may be insufficient as the only source of your studies.

Session I text covers Practice/Procedure, Evidence and Legal Ethics, which together account for 60% of the exam. Session II text covers Federal Taxation and recently litigated Tax Court cases, which accounts for the balance of the exam.

TEXT ONLY NOW AVAILABLE FOR \$3,000 (this is a 50% discount from the 2018 exam cycle fees prior to 11/1/17)

Special offer: if you purchase the 2018 text and also purchase the full 2020 exam cycle series classes on or before 1/1/20, \$1,000 of this purchase price will be applied to the cost of the 2020 program. Other applicable discounts may also be combined with this offer. More information on the cost/dates/location of the 2020 classes will be available soon (the current website is tce2018.com but we are rebuilding an ecommerce website at taxcourtexam.com and hope to have that live by end of 2018). We anticipate that the One Year Study Class for the 2020 exam cycle will begin on or before 11/1/19.

USPS mailing/handling is included in this price. Other shipping service requested is billed at actual cost.

NOTE: No CE is available for this option.
